

Supplementary Items of International Dual Degree Program

Between Jeonbuk National University, KOREA

and Yangzhou University, CHINA

Jeonbuk National University (JBNU) and Yangzhou University (YZU) hereby specify the supplementary conditions of the International Dual Degree Program (IDDP) for postgraduate students which were not defined by the Memorandum of Agreement (MOA). Upon this agreement, students who complete the IDDP shall obtain a master's or doctoral degree in one major from each university, under the following conditions.

Generally, an IDDP student can obtain his/her academic degree only if he/she complete and meet the requirements as list in attachment I required by the home and host universities, given that credits obtained in the home university from major course list in attachment II are acceptable in the host university. The IDDP students are encouraged to gain most credits in the home university and devote themselves to scientific research and thesis preparation in the host university.

1. Eligibility for application

Officially admitted students by JBNU and YZU.

2. Financial support for tuition fee and other expenses

Any combinations of the followings is available:

- a. the scholarship from the home and/or the host university.
- b. the research projects of his/her supervisor in the host university.
- c. at own expense

3. Accommodation:

In principle, the IDDP students' accommodation will be solved by themselves, while the host university need to make every effort to facilitate students' accommodation.

4. Other items:

Please refer to attachment I and attachment II.

5. Specific executor of the agreement:

Division of Electronics and Information Engineering, JBNU, Korea,

Contact: Lee, Ji-Hoon, Professor. Email: jihoonlee@jbnu.ac.kr

College of Information Engineering (College of Artificial Intelligence), YZU, China,

Contact: Yi, Yang, Professor, Email: yiyang@yzu.edu.cn
